

Baybreeze

CAFE POOCH MENU

DOG TREATS

The Baybreeze Café understands the bond between man's/women's best friend and welcomes all dogs to the outside area of the Café.

We hope that your dog enjoys our dog menu with water being permanently supplied between the steps directly beside the main entrance.

It goes without saying that owners are responsible for cleaning up any mishaps or mess and we would ask that you use the park for all dog calls of nature.

We have decided to have the same rules for our dog friends as our members (member's children) and guests eg; No dog is permitted to be left unattended at any time for any reason. Excessive barking and or anti-social dog behaviour will result in dogs being asked to leave.

Fighting or signs of aggression will result in dogs being either suspended or expelled.

Baybreeze

CAFE POOCH MENU

Kangaroo dental sticks- \$2.50

Help prevent your dog from experiencing periodontal disease as we all know brushing your dog's teeth can be incredibly challenging dental sticks are a great alternative and tasty for them to! 100% Australian Made and 100% Australian Ingredients
